RE: Title Insurance Agents

To Whom It May Concern:

The Kentucky Office of Insurance does not require Individuals or Business Entities to be licensed as title insurance agents. Consequently, if a title insurance agent from another state requests a title agent license from Kentucky, we will advise the requestor that Kentucky does not issue licenses to act as a title insurance agent. Instead, the non-resident title insurance agent may act as an agent for the title insurer in the state of Kentucky without the necessity of a title agent license issued by the Kentucky Office of Insurance.

If you need additional information please feel free to email Agent Licensing directly at: KOIAgentLicensingMail@ky.gov.
